Meal Mission

As it is time for a break during the summer from our weekly meal deliveries, we would like to thank all that have helped with the mission. Below are a couple notes of thanks we have received. **Also, located on the table at the top of the stairs are some individual cards for those who helped with the meals. If you helped us out this time please be sure to pick yours up.**

On behalf of the recipients of the weekly meals prepared by the food group, I would like to express my heartfelt Thank You.

The offering of time, talent, donations of food, delivery etc. has been a wonderful mission outreach - greatly appreciated by all.

We send our regards for your much deserved break this Summer and look forward to delicious future meals.

*Blessings,
Donna Slavens*

To all involved in the Meal Program you will never know how much the meals mean to us (and I am sure to others who are really shut-in) It is something to look forward to. The food is great, but just getting to know someone is coming today and it is Wednesday we don't have to cook is so much fun. We really appreciate all of you!

*Sincerely,
JR and Sharon*
